

I listen to K-Love from the time I get in my car for work to the time I get home from work. I don't know what I would ever do without it. It keeps my focus on Christ and being more Christ-like to the people I interface with throughout the day. It is a great tool for new Christians to learn more about Christ through the Prayer of the Day, to the words in the music, to the great examples of what it is to be a Christian through the testimonys shared. Please do not allow K-Love to be replaced by a LPFM. Thank you and God Bless!
